Springtime brings many celebrations: Teacher recognition, Mother's Day, Graduations, End of school year. If you are thinking of buying gift cards, please consider putting an order with Cristina Machin. I am a member of P.E.O. (Philanthropic Educational Organization) and one of our fundraisers is through the purchase of gift cards. At not cost to you, your order provides a rebate that funds scholarships, loans, and grants to support women's education. If you have any questions please contact Cristina, Shelly, Mary or Julie.

St. Alban's & Faith will be co-hosting the Spring Faith-Partnership Open House & Dinner on Wednesday, April 24th at 6:00pm here in our hall. We are looking for volunteers to help set-up, serve food and clean-up. Contact Rev. Brack with any questions.

The Public Theology & Public Policy Conference at Yale University I'm attending this week for my continuing education is perfectly timed for where we are in the nation today. "This inaugural conference aims to train and empower religious leaders, scholars, theologians, and publicists to delve into the crucial moral issues confronting our nation. We are committed to addressing issues outlined in biblical texts, transcending politics." This conference will look at issues of poverty, racism, healthcare, voting rights, and equal protection through a moral and spiritual grid that has power to shift the conversation in American public life. Here is the link to see the plenary sessions, outstanding presenters and schedule of events. <https://www.publictheologyconference.com/conference-agenda>
